

Sweet Senorita

SMiLE.dk

I am your sweet senorita
Si, senor - sweet senorita
I am your sweet senorita...

The moon was bright in the summer night
I'm so in love, feels like paradise
I wanna be where the sun always shines
Oh baby, tell me that your heart is mine

All I need is a chance
Cause your kind of romance
Got the very kind of love I need!

I am your sweet senorita
Si, senor - sweet senorita
I am your sweet senorita
Si, senor - chiquita bonita!

Iyeho Iyeho
Yo si t'adoro
Iyeho Iyeho
Vamos mi amor
Iyeho Iyeho
Yo si t'adoro
Iyeho Iyeho...

Tropical islands, we're having fun
This magic is a never-ending one
You make me burn in the heat of the sun
Oh baby, tell me I'm the only one

All I need is a chance
Cause your kind of romance
Got the very kind of love I need!

I am your sweet senorita
Si, senor - sweet senorita
I am your sweet senorita
Si, senor - chiquita bonita!

Iyeho Iyeho
Yo si t'adoro
Iyeho Iyeho
Vamos mi amor
Iyeho Iyeho
Yo si t'adoro
Iyeho Iyeho...

I'll always be your sweet senorita...
I'll always be your sweet senorita...
