SMiLE.dk

Two girls on the road to become stars  
On the road to travelling far  
On the road to catch the moon in their hands

Two girls on the road to burning hearts  
On the road to shimmering cars  
On the road to catch the moon in their hands

Wild and free, on the road which they never had seen  
Wild and free, come with us and you will see

Temptation islands, in the mood of setting you free  
Temptation islands, come with us and you can be free  
Temptation islands, on the road, come along, you will see  
Temptation islands, come with us and you can be free

Two eyes on the road to visualise  
On the road to memorise  
All the good things that they have in their lives

Two eyes on the way to burning hearts  
On the way to get a new start  
On the way to catch the moon in their hands

Wild and free, on the road which they never had seen  
Wild and free, come with us and you will see

Temptation islands, in the mood of setting you free  
Temptation islands, come with us and you can be free  
Temptation islands, on the road, come along, you will see
