

# Alone With Nothing

Smile Empty Soul

Daze off in a broken dream,  
so lost in the open seas.  
Held down somewhere in between,  
I knew you wouldn't wait for me.

Cuz I tried to stand,  
but you keep pushing me down,  
pushing me down.  
Does it never end?  
Will I ever win with you?

So take everything,  
all of me.  
It's okay.  
Like it when you break,  
all I've got.  
I feel free.  
On the floor.  
Alone with nothing.  
(Yeah)  
Alone with nothing.

Work hard through this broken life,  
high hopes it'll be alright.  
Beat down, but I'm still alive,  
hold on for another fight.

Cuz I tried to stand,  
you keep pushing me down,  
pushing me down.  
Does it never end?  
Will I ever win with you?

So take everything,  
all of me.  
It's okay.  
Like it when you break,  
all I've got.  
I feel free.  
On the floor.  
Alone with nothing.  
(Yeah)  
I find my strength and  
(Yeah)  
Beat on the ground.  
(Yeah)  
Don't need nothing from you.

Cuz I tried to stand,  
you keep pushing me down,  
pushing me down.  
Does it never end?  
Will I ever win with you?  
(With you) (With you)

So take everything,  
all of me.

It's okay.  
Like it when you break,  
all I've got.  
I feel free.  
On the floor.  
Alone with nothing.  
(Yeah)  
Alone with nothing.  
(Yeah)  
Alone with nothing.  
(Yeah)  
Alone with nothing.  
(Yeah)  
Alone with nothing.
