

End of the World

Smile Empty Soul

Tears of angels are falling
Children's mothers are calling
And I'm not even looking down
And miss these demons hit the ground

Little babies are crying
Pretty ladies are trying
To bring some order to their worlds
The Lord is with you little girl
And I don't know what to do
But sit here and wait for the end of the world

And I don't know what to do
But sit here and wait for the end of the world

And I don't know what to do
But sit here and wait for the end of the world

And I don't know what to do
But sit here and wait for the end of the world
