

Let Go

Smile Empty Soul

New orders are coming from up high
Controllers are taking to the sky
These captivating, heart is racing
Reaching for a lung
Get closer to what you had in mind

I just need you to let go!
I just need you to let go!

Holding on to the past and what has come and gone
You must die to be reborn

It's over, I feel it in my bones
The soldiers retreating to their rooms
This captivating has a waiting madness of the soul
Get closer to what you're looking for

I just need you to let go!
I just need you to let go!

Holding on to the past and what has come and gone
You must die to be reborn

I just need you to let go!
I just need you to let go!
I just need you to let go!
I just need you to let go!

Holding on to the past and WHAT HAS come and gone
You must die to be reborn!

I just need you to let go!
I just need you to let go!
I just need you to let go!
I just need you to LET GO!
