

## Came Blue

Smog

There's a hunger in my hands  
I try to rub in into your body  
But I don't believe in this  
I don't believe in you  
I don't believe in me

I came blue, came blue  
Came blue, came blue

Your eyes are drunk  
Why don't you close them

I came blue, came blue  
Came blue, came blue

Your eyes are drunk  
Why don't you close them

I came blue  
Like I pictured you to do?  
I came blue, to do?

Twenty seven years  
I came blue  
And there is still a hunger

I came blue, I came blue  
I came blue, I came blue  
Came blue, came
