

## Stick In The Mud

Smog

There's nothin' I'd rather see  
Than for you to fail  
There's nothin' I'd rather see  
Than for you to fail  
And where is the beauty  
That I once had?  
Where is the beauty  
That I had once?

I feel like I'm becoming a stick in the mud  
I feel like I'm becoming a lou reed - mistrial stick in the mud

There's nothin' I'd rather see  
Than for you to fail  
And where is the beauty  
That I once had?  
Where is the beauty  
I had just once?  
I hate songs with questions in them  
I feel like I'm becoming a stick in the mud  
I feel like I'm becoming a lou reed - mistrial in the mud
