

Strawberry Rash

Smog

Meet strawberry rash
One on each cheek
Coins in the crack
Meet strawberry rash

It's the banquet of a starving girl
She's gonna swallow glass

Meet strawberry rash
Red eggs and brown apples
She's gonna swallow glass
Meet strawberry rash
Coins in poison the crack

It's the banquet of the starving girl
She's gonna swallow glass
Meet strawberry rash
Coins in the crack
And beggin' her to piss
