

## To Be Of Use

Smog

Most of my fantasies are of  
Making someone else come  
Most of my fantasies are of  
To be of use  
To be of some hard  
Simple  
Undeniable use

Like a spindle  
Like a candle  
Like a horseshow  
Like a corkscrew

To be of use  
To be of use

Most of my fantasies are of  
Making someone else come  
On a horse  
Over palms laid  
On the threshold  
On the coming day

Coming day  
Coming day come
