What Kind Of Angel

She's had everyone She made me doubt women She said I could do it without protection That's not a woman at all She says she's an angel That's not a woman at all Well, what kind of angel What kind of angel is that? What kind of angel is that? It's an angel of death The angel of death

She's gonna kill someone The angel of death Ah! The angel of death She says she's an angel That's not a woman at all What kind of angel, what kind of angel is that?
