

# Baby Baby Don't Cry

Smokey Robinson

Nothing so blue as a heart in pain,  
Nothing so sad as a tear in vain.

Let him walk on out if he wants to,  
he really doesn't deserve you.  
His loss is our gain so don't be blue  
'cause stone blind and out of his mind  
is what he has to be. Yeah!  
So baby, straighten up, come on and fly right,  
it's no catastrophe.  
Yeah! And say now

Baby, Baby, Don't Cry, Baby, Baby, Don't cry,  
Baby, baby, here's why,  
Love is here standing by,  
Love is here standing by.

You trusted him and gave him your love,  
A love he proved unworthy of.

To bad it was him that you trusted,  
too bad but you can't be disgusted.  
It's time that you got readjusted  
and realized that tear filled eyes can never stop him now.  
Yeah! That man is on his way  
I think he's gone to stay, you'd better drop him now.Yeah!

Oo wee now  
Baby, Baby, Don't Cry, Baby, Baby, Don't cry,  
Baby, baby, here's why,  
Love is here standing by,  
Love is here standing by.

All you've gotta do is dry your eyes long enough to see,  
that you have got the love you thought you had in him,  
Here in me, love is hope, girl, love is strength.  
Here's someone standin' right beside you who would go to any length  
to give you love, true and deep,  
And hope you realize at last you've found a love that you can keep,  
and only losers weep.

So, Baby, Baby, Don't Cry, Baby, Baby, Don't cry,  
Baby, baby, here's why,  
Love is here standing by,
