

# Being With You

Smokey Robinson

I don't care what they think about me  
And I don't care what they say  
I don't care what they think if you're leaving  
I'm gonna beg you to stay

I don't care if they start to avoid me  
I don't care what they do  
I don't care about anything else  
But being with you, being with you

Honey don't go, don't leave this scene  
Be out of the picture and off of the screen  
Don't let them say, "We told you so"  
They tell me you love me and then let me go

I've heard the warning voice  
From friends and my relations  
They tell me all about your heart-break reputation

I don't care what they think about me  
And I don't care what they say  
I don't care what they think if you're leaving  
I'm gonna beg you to stay

I don't care if they start to avoid me  
I don't care what they do  
I don't care about anything else  
But being with you, being with you

People can change, they always do  
Haven't they noticed the changes in you  
Or can it be that like love I am blind  
Do I want it so much 'til it's all in my mind

One thing I know for sure  
Is really really real  
I never felt before  
The way you make me feel

I don't care what they think about me  
And I don't care what they say  
I don't care what they think if you're leaving  
I'm gonna beg you to stay

I don't care if they start to avoid me  
I don't care what they do  
I don't care about anything else  
But being with you, being with you  
Being with you, being with you

I don't care about anything else  
But being with you, being with you  
I want to be with you
