

# Cruisin'

Smokey Robinson

Baby let's cruise, away from here  
Don't be confused, the way is clear  
And if you want it you got it forever  
This is not a one night stand, baby, yeah so

Let the music take your mind, ooh  
Just release and you will find

You're gonna fly away  
Glad you're goin' my way  
I love it when we're cruisin' together  
The music is played for love  
Cruisin' is made for love  
I love it when we're cruisin' together

Baby tonight belongs to us  
Every thing's right, do what you must  
And inch by inch we get closer and closer  
To every little part of each other ooh baby, yeah

So let the music take your mind  
Just release and you will find

You're gonna fly away  
Glad you're going my way  
I love it when we're cruisin' together  
The music is played for love  
Cruisin' is made for love  
I love it when we're cruisin' together

Cruise with me baby  
Cruise, cruise

Baby let's cruise, let's flow, let's glide  
Ooh let's open up, and go inside  
And if you want it you got it forever  
I can just stay there inside you  
And love you baby

Let the music, take your mind  
Just release and you will find

You're gonna fly away  
Yeah, I'm glad you're going my way  
I love it, when we're cruisin' together  
The music is played for love  
Cruisin' is made for love

I love it, I love it, I love it, I love it  
I love it, when we're cruisin' together  
The music is played for love
