

I Like It Like That

Smokey Robinson

Clap your hands now, everybody
We're gonna have some fun tonight
We're gonna sing, shout
An' knock ourselves out
Every thing's gonna be alright
(Alright)

Now let the bass man start (playin')
He's gonna come in right on time
He's gonna add a beat
To make you pat your feet
Every thing's gonna work out fine
(Out fine)

And he can say I like it like that
(I like it like that)
I like it like that
(I like it like that)
Oh, that's where it's at
An' I like it like that
(C'mon, yeah, c'mon, play something)

Now after a man finds his self a woman
She doesn't have to be a beauty queen
And if she holds you tight
She makes you feel alright
Any man that I've ever seen

He's got to say, I like it like that
(I like it like that)
Oh, I like it like that
(Oh, I like it like that)
Oh, that, I'm tryin' to tell you
(That's where it's at) yeah (oh, that's where it's at)
(That's where it's at) an' I like it like that
(C'mon, I want you to sing one more time, c'mon sing)

I like it like that
(I like it like that)
I like it like that
(I like it like that)
I like it like that
(I like it like that)
Yeah, yeah

Now, I know why my mama
Taught me to be true
She must've known one day
That you'd come my way
I would fall in love with you

An' you could say, I like it like that
(I like it like that)
Oh, I like it like that
(Oh, I like it like that)
Oh, I'm tryin' to tell you
(That's where it's at)

Yeah, oh
(That's where it's at)

Everybody sing now
(That's where it's at) yeah (that's where it's at)
Alright
(That's where it's at)

One more time, now
(That's where it's at)
It's alright, yeah
(That's where it's at)
Yeah
(That's where it's at)
It's ok, everybody sing
(That's where it's at)
Alright, yeah
(That's where it's at)
(I like it like that)
Ooo
(That's where it's at)
Ooo
(That's where it's at)
