Put some water in the tub and do the body rub  
Touchin  
Close as can be, I'm touchin youyou're touchin me

Lets take a love bath baby

Hot! As a love can be  
We got! all the time we need  
I- E, don't want to end this night  
Soft candlelight, everythings right

Lets take a love bath baby  
Take a love bath baby  
Take a love bath baby

Lets take a love bath baby

You, what a wonderful sight  
All wet glowin' in the candlelight  
I want to stay here forever  
I want to see, if you can take all of me

Let's take a love bath baby  
Take a love bath baby
