

More Love

Smokey Robinson

Let it be soon, don't hesitate
Make it now, don't wait
Open your heart and let my love come in
I want the moment to stop when I can fill your heart
With more love, and more joy
Than age or time could ever destroy
My love will be so solid
It would take a hundred lifetimes
To live it down, wear it down, tear it down

This is no fiction
This is no act
This is real, it's a fact
I'll always belong only to you
Each day I'll be living to make sure
I'm giving you more love and more joy
Than age or time could ever destroy
My love will be so solid
It would take a hundred lifetimes
To live it down, wear it down, tear it down

As we grow older no need to fear
When you need me I'll be here
I'll be beside you every step of the way
A heart that's truthful and keeping you youthful
With more love, more joy
Than age or time can ever destroy
My love will be so solid
It would take a hundred lifetimes
To live it down, war it down, tear it down
