

# Oh Girl

Smokey Robinson

Oh little girl, oh sweet baby  
Oh girl, I'd be in trouble if you left me now  
'Cos I don't know where to look for love, I just don't know how  
Oh girl, how I depend on you to give me love when I need it  
Right on time you would always be there

All my friends call me a fool  
They say let the woman take care of you  
So I try to be hip and think like the crowd  
But even the crowd can't help me now

Oh girl tell me, tell me what am I gonna do?  
And I know I've got a guilty face  
Girl I feel so out of place

Yeah girl, what am I gonna do? Do  
What am I gonna do?  
If you leave me baby what am I gonna do?  
I don't know where to go, who to see yeah

Oh girl, I guess I'll never know  
I can save myself a lot of useless tears  
Girl I've gotta get away from here  
Oh girl, girl, girl pain will double if you leave me now  
'Cos I don't know where to look for love and I don't  
I don't know how, oh no

Oh girl, girl, why do I love you so?  
I really wanna know, I really wanna know
