

# I've Been Delivered

Smokie Norful

Here we go, it's old school now, get ready!  
Put your hands together and get ready to give God praise and glory in this place

Frustration mounting up on every side  
Temptation trying to be my guide  
Heartache has started speaking to me  
But I declare right now in Jesus' name I'm free

Every place that Satan had me bound  
God has stepped in and turned it all around  
This one thing I know I'm sure of  
I know I've been delivered  
I've been delivered, I've been set free  
Every chain that the Devil had on me  
I've been released to walk in full potential  
Can't hold me down, I'm going to the next level  
This one thing I know I'm sure of

I know I've been delivered

Evil mounting up around my life  
Tried to make me believe that day is now night  
Trying to make me think that I've run out of time  
The Devil tried to make me lose my mind  
But

Now clap your hands like you know  
Is there anybody that can declare that you know that you're delivered tonight

I am delivered Delivered  
Yes I am
