

Mighty God

Smokie Norful

Your words are more powerful than nature
You are stronger than the sea
And Your voice resounds like thunder
Yet Your Spirit nurtures me

You are wise enough to direct me, God
And You are holy enough to keep me
You are mighty enough to protect me, yeah
You are the light that I might see

What a mighty God we serve
Awesome ruler, God our protector
A mighty God we serve
Gentle redeemer, mighty is He

Your hand is full of mercy
And Your strength lifts every weight
Your words sip all throughout eternity
And Your loves cancels every hate, yeah

You are wise enough to direct me, oh God
You are holy enough to keep me
You are mighty enough to protect me, yes
You are the light that I might see

What a mighty God we serve
Awesome ruler, God our protector
A mighty God we serve
Gentle redeemer, mighty is He

What a mighty God we serve
Awesome ruler, God our protector
A mighty God we serve
Gentle redeemer, mighty is He

No weapon formed against me shall prosper
As long as God is with me
I know that I'm already victorious
His power has set me free

Mighty God, mighty God, mighty God is He
Mighty God, mighty God, mighty God is He
Mighty God, mighty God, mighty God is He
Mighty God, mighty God, mighty God is He
Mighty God, mighty God, mighty God is He

Mighty God, mighty God, mighty God is He
Mighty God, mighty God, mighty God is He
Mighty God, mighty God, mighty God is He
Mighty God, mighty God, mighty God is He
Mighty God, mighty God, mighty God is He

Say He's stronger, stronger, stronger, stronger
And He's mighty, mighty, mighty, mighty
And He's wiser, wiser, wiser, wiser
And He's loving, loving, forgiving, forgiving
He's stronger, stronger, stronger, stronger

Stronger, stronger, stronger, stronger
Stronger, stronger, stronger, stronger
Stronger, stronger, stronger, stronger
Mighty, mighty, mighty, mighty
Mighty, mighty, mighty
