

Ain't Gonna Rain

Smokie

Girl I'd better tell you now
I'd better warn you
I'm not like any other guy
Who came off the street corner
Cos I got a heritage
Yeah, I got history
And I got Indian blood
Deep inside of me

No it ain't gonna rain no more
No it ain't gonna rain no more

Girl you'd better hold on tight
If you want the ride of your life
You'd better watch me
Cos I'M gonna watch you
Accross the big white plain
To a new horizon
Taking the wise words of old
Joe Cherokee

No it ain't gonna rain no more
No it ain't gonna rain no more

Girl I'm in a wonder
Wonder world
And I'd give you my world
If I could

Now girl you better listen to me
Cos my heart's no longer free
I can see it in the cloud
I can feel it in the wind

No it ain't gonna rain no more
No it ain't gonna rain no more
