

# Don't Play Your Rock 'n' Roll to Me

Smokie

R: Don't play your rock'n'roll to me  
That ain't the way it's ment to be  
I ain't so blind that I can't see  
Just let it ly, just let it be so

Don't play your rock'n'roll-no  
Don't play your rock'n'roll-no  
Don't play your rock'n'roll to me

1. Well I know you think I'm crazy, you're hanging round  
"I so to hoping you change through the girl I found  
But your words just sound like rock'n'roll lies to me  
"Made just about as burn out as a 1845"  
And you cant expect them to keep our love alive

2. Well I guess you had me fooled for a while  
With your common looks and your Mona Lisa smile  
But your r'n'r is getting out of time to me  
Don't sing your lies to someone else 'cause someone else may  
be  
The fool you always brought your song to me
