

# Hurting

Smokie

They say when love comes  
It's something so good  
But I've seen love come and go  
'Cause baby  
I've been in love once  
To someone special  
And I saw love walk out the door

Can't you see that I was

Hurting deep down inside  
Trying to hide my pride  
Straighten out my mind  
Longing to make things right?  
Countless times I have cried  
Laid awake endless nights  
Reliving the bad times  
Longing to make it right

They say when love comes  
Love means so much  
But will love last? I have my doubts  
So baby  
I don't want to  
Want to need you  
Just so you can let me down

'Cause I've been

Hurting deep down inside...

I've been in love once  
To someone special  
And I saw love walk out the door
