

# I Can't Stop Loving You

Smokie

You can do, whatever you want to do  
You can do, anything at all  
'Cause what you do  
Makes me so close to you  
And when I'm close to you baby

I can't stop loving you  
There's nothing in the world that I would change for you  
Only you, only you can thrill me like you do

I can't stop loving you  
I can't stop wanting you  
You're something special in my eyes

The way that you love me  
The way that you hold me  
The way that you make me feel part of you baby
