

## I'd Die for You

Smokie

You look so sad in your eyes  
We now have to pay our price  
Cause you are running around  
with another guy  
You must decide where you stand  
And you know I must ask you again and again  
Tell me that your love is still the same  
I'd die for you my baby  
I' die for you my baby  
I cry for you when you are not by my side  
I had a dream last night  
You were not here by my side  
and we were fighting against each other  
I feel the pain in my heart  
Don't you know you are  
playing the part again and again  
Tell me that your love is still the same  
I'd die for you my baby...
