

I Don't Wanna Talk About It

Smokie

I can tell by your eyes that you've
probably been crying forever
And the stars in the sky don't mean
nothing to you they're a mirror

I don't wanna talk about it
How you broke my heart
If I stay here just a little bit longer
If I stay here won't you listen to my heart

Oh, my heart

If I stand all alone will the shadows
hide the colours of my heart
blue for tears, black for the night
fears the stars in the sky
don't mean nothing to you they're a mirror

I don't wanna talk about it
How you broke my heart
If I stay here just a little bit longer
If I stay here won't you listen to my heart

Oh, my heart

I don't wanna talk about it
How you broke my heart
If I stay here just a little bit longer
If I stay here won't you listen to my heart

Oh, my heart

Oh, my heart
