

# I Don't Want to Lose You

Smokie

You're messing up the rules baby  
And that's just ain't fair  
I thought that we be cool darling  
But you just don't care

I've been up and down around the world  
Just to find a girl like you

I don't want to lose you baby  
Standing there you drive me crazy  
I don't want to lose you baby now

I don't want to hurt your feelings  
Just want to make you smile  
Give a second chance now baby  
I'll go the extra mile

Round and round that's where we go  
Where this stops nobody knows

I don't want to lose you baby  
I don't want to hear a maybe  
I don't want to lose you baby now

It's not your style  
It's not the way you call my name  
Ohh baby can't you see  
I need you just the same

I've been up and down around the world  
Never found no one like you

I don't want to lose you baby  
Standing there you drive me crazy  
I don't want to lose you baby now

It's not your style  
It's not the way you call my name  
No matter what  
You know just how to play this game

I don't want to lose you darling  
So just don't go  
I don't want to lose you baby  
So don't say no

I've been up and down around the world  
Just to find a girl like you

I don't want to lose you baby  
I don't want to hear a maybe  
I don't want to lose you baby now
