

## If I Can't Love You

Smokie

Let me take this moment, just to tell you that;  
You can always count on me.  
It's automatic, I think about you everyday;  
And this is how I feel:

Every time I hold ya, I believe in what I told ya;  
You're my everything, my shining star;  
That's just what you are.  
Like a flower needs the sunlight;  
Like a ship that sails the ocean;  
I will never live to see another day;  
If I can't love you.

If I can't love you.

When I see you smiling, it just takes away;  
All the troubles in my life.  
But does it matter, if you're far away from me?  
'Cause you're always on my mind.

Every time I hold ya, I believe in what I told ya;  
You're my everything, my shining star;  
That's just what you are.  
Like a flower needs the sunlight;  
Like a ship that sails the ocean;  
I will never live to see another day;  
If I can't love you.

I run to you like a river song;  
Now I know just where I belong;  
It's by your side.  
You lift me up when I'm feeling down;  
And take me up to a higher ground;  
And you make me fly.

Every time I hold ya, I believe in what I told ya;  
You're my everything, my shining star;  
That's just what you are.  
Like a flower needs the sunlight;  
Like a ship that sails the ocean;  
I will never live to see another day;  
If I can't love you.

If I can't love you
