Just When I Needed You Most

Smokie

You packed in the morning, I stared out the window And I struggled for something to say You left in the rain without closing the door I didn't stand in your way

Now I miss you more than I missed you before And now where I'll find comfort, God knows 'Cause you left me just when I needed you most Left me just when I needed you most

Now most every morning, I stare out the window And I think about where you might be I've written you letters that I'd like to send If you would just send one to me

'Cause I need you more than I needed before And now where I'll find comfort, God knows 'Cause you left me just when I needed you most Left me just when I needed you most

You packed in the morning, I stared out the window And I struggled for something to say You left in the rain without closing the door I didn't stand in your way

Now I love you more than I loved you before And now where I'll find comfort, God knows 'Cause you left me just when I needed you most Oh yeah, you left me just when I needed you most You left me just when I needed you most
