

## Little Lucy

Smokie

You're wasting my time  
You're drinking my wine  
So Little Lucy say goodbye  
I've stood quite enough  
I'm calling your bluff  
The cost of loving's much too high  
So little Lucy, Little Lucy don't you cry  
Little Lucy, Little Lucy don't you cry  
We've had a hard time honey, so Little Lucy say goodbye  
I'm playing it cool  
I ain't such a fool  
You know our love's just one big lie  
We put on a show, but now you must go  
And we can't say we didn't try  
So little Lucy, Little Lucy don't you cry  
We've had some trouble  
Ain't gonna see your face no more  
Now at the double  
I'm gonna see ya just go right through that door  
You're wasting my time,  
You're drinking my wine  
So Little Lucy say goodbye  
I've stood quite enough  
I'm calling your bluff  
The cost of loving's much too high  
So little Lucy, Little Lucy don't you cry  
  
So little Lucy, Little Lucy don't you cry
