

# Love Can Change Your Heart

Smokie

I still feel so good, when you touch my hand  
And a world of fear just fades away  
sometimes words come easy  
But they don't seem right  
and I can't say what I feel tonight  
I'm lonely when you go away  
I just want you here forever  
I believe in, I believe in love can change  
your heart  
I believe in, I believe in love can make it  
I just can't let go  
I still think about you when I'm on my own  
So I'll just wait till love comes home  
sometimes I go crazy but what can I do  
There's a fire tonight and it burns for you  
And time won't ease the pain I feel  
I know we could be in love forever  
I believe in, ...  
Hold me now, hold me now  
don't let this love die  
touch me now, I feel somehow  
We could make this last forever  
I believe in, ...  
I believe in, ...
