Smokie

My woman she don't like rock 'n' roll
My woman she don't like rock 'n' roll
She say to me, she just likes disco
I say to her God bless your soul
My woman, my woman she don't like rock 'n' roll.
My brother he don't like rock 'n' roll
My brother he don't like rock 'n' roll
He say to me, he just like disco
I say to him God bless your soul
My brother, my brother he don't like rock 'n' roll.
My mother she likes rock 'n' roll
