

# Nothing Hurts Like a Broken Heart

Smokie

I've been around for a day or two  
I've had my share of the colour blue  
I haven't learned what it's all about no I

I've seen the eyes of a girl in love  
I've felt the hand of the one turned down  
I've heard the sound of the shattered dream yeah I

I guess I should have all the answers  
but all I know is that

Nothing hurts lika a broken heart  
All we need is a brand new start I'm telling you  
You got to let go  
Nothing hurt like a broken heart  
All we need is a brand new start I'm telling you  
You've got to let go

When you search for a pot of gold  
Along the way you might lose your soul  
It might be worth all the pain I guess but I

Well I suppose we try our hardest but all I know is  
that

Nothing hurts like a broken heart  
All we need is a brand new start I'm telling you  
You got to let go  
Nothing hurt like a broken heart  
All we need is a brand new start I'm telling you  
You've got to let go

No one wants to stay lonely  
All we do is learn slowly  
Just so you know you're not the only one

Nothing hurts like a broke heart....
