

# Romeo And Juliet

Smokie

I don't want to see you down again  
I don't want to hear you crying  
We're livin' in different worlds  
I can't stand to watch you go and just walk away

Pressured by what people say  
I want you and how  
My love is for you  
And that's all that I need to know

Juliet  
Oh Romeo, Oh Juliet

I need you so, my love won't wait  
Together forever, we'll seal our own fate  
Our love is a secret of the night  
It pains me to use this disguise

We'll meet on the other side  
I can't stand to live without your love for a day  
We'll meet in the heavens, I pray  
Keep holding me now  
Our love is true  
And that's all that we need to know

Juliet  
Oh Romeo, Oh Juliet

I need you so, my love won't wait  
Together forever, we'll seal our own fate

Oh Romeo, Oh Juliet  
Oh Romeo, Oh Juliet

I need you so, my love won't wait  
My love won't wait  
Together forever, we'll seal our own fate

I don't want to see you down again  
I don't want to hear you cryin'  
We're lyin' in different worlds  
I can't stand to watch you go and just walk away  
We'll meet in the heavens, I pray
