

## Samantha Elizabeth

Smokie

Samantha Elizabeth, you're on my mind  
Samantha Elizabeth, all of the time  
You keep me dreaming  
Only of you  
And oh, I'm stuck on you  
I'm stuck on you  
Oh

Samantha Elizabeth, the questions you ask  
Samantha Elizabeth, you're growing up fast

You are my everything  
My heart, my home  
You taught me everything  
I've ever known
