

# Strangers In Paradise

Smokie

Well I look to the sky  
Reflections of you and I  
And as we fly  
Strangers in paradise  
We're on the outside looking in  
And we're on the inside  
And fall back again  
Magic nights  
Strangers in Paradise  
Well I look to the sky  
Well I look to the sky  
Reflections of you and I  
And as we fly...  
Strangers in Paradise  
We're on the outside looking in  
We're on the inside  
Strangers in paradise  
Strangers in paradise  
Strangers in paradise
