

## Sunshine Avenue

Smokie

Sunshine Avenue we never knew  
Would only be in memory  
But how are we to know what time can do  
Sunshine Avenue will always be  
My Disneyland, Peppersband  
Helping hand a larger part of me.

Walking on Sundays  
Dance in the rain  
You and me laughing  
Oh, but Sunshine Avenue you and I will never find again.

Sunshine Avenue remember when  
Used to dream a lovers dream  
Oh, how it seems to be so simple then.  
Sunshine Avenue I've thought of you  
You always keep a part of me  
Be with me with everything I do.

Walking on Sundays  
Dance in the rain  
You and me laughing  
Oh, but Sunshine Avenue you and I will never find again.

Sunshine Avenue we never knew  
Would only be in memory  
But how are we to know what time can do  
Sunshine Avenue will always be  
My Disneyland, Peppersband  
Helping hand a larger part of me.

My Disneyland, Peppersband  
Helping hand a larger part of me  
My Disneyland, Peppersband  
Helping hand a larger part of me  
Sunshine Avenue you and I will never find again  
My Disneyland, Peppersband  
Helping hand a larger part of me  
Sunshine Avenue you and I will never find again.
