

## The Coldest Night

Smokie

Well the trees were shaking  
in the terrible wind  
And my face would have cracked  
if I'd tried to grin  
It was the coldest night  
I've ever spent outside  
the frost was biting like a hungry hound  
and my feet were so numb  
I couldn't feel the ground  
It was the coldest night  
I've ever spent outside

And I freeze,  
you don't know what it's like  
To be left all alone in the cold  
On my knees  
I'd go down on my knees  
for a moment or two back at home

Still I walked on and on and on  
Not really going any place  
Just trying to keep me warm  
It was the coldest night  
I've ever spent outside  
It near drove me insane  
as the rain tapped my brain  
Then fell to the floor and  
ran down the drain  
It was the coldest night  
I've ever spent outside

And I freeze,...

Well if I ain't dead well  
this sure feels like hell  
And after all how can you tell  
It was the coldest night  
I've ever spent outside  
It was hard to believe when  
I woke up in a sweat  
That I was only dreaming  
of that cruel cold and wet  
It was the coldest night  
I've ever spent outside

And I freeze,...

In my bed rest my head where  
I'm cosy and warm
