

Time Keeps Turning

Smokie

If I lied just another day
The strenght I needed flew away
You have hurt my pride
Than walked away, I almost died
That day.

You were always on my mind
You were always on my mind
The thoughts you'd tell me were so unkind
My heart was in your hand
You dropped it outside in the sand
That day.

Well the time that keeps on turning
And the wheels go round and round
But my thoughts still go on burning
For you

And I think that I can make it

Doing things out of my own
If I'm wrong then I can fake
For you.

You were always by my side
The river changed, another tide
You had another guy
I drowned then when you told a lie
I cried.

I thought we'd found our promised land
You cut the rope with just a hand
The love you tore apart
Could never ever touch your hearts
command.

Well the time that keeps on turning
And the wheels go round and round
But my thoughts still go on burning
For you
