

Days Just Wave Goodbye

Smoking Popes

Bother, I don't bother
Bother, I don't bother
Days just wave goodbye as they ride in tonight
And then they're gone, gone, gone...
Sorry, I'm not sorry
Sorry, I'm not sorry
Yesterday goodbye
I've got no tears left to cry cause they're all gone, gone, gone...
For the first time in a lifetime
I can keep my eyes closed all day long, yeah
Happy, I'm so happy
Happy, I'm so happy
So happy now that I'm gone, gone, gone...
