

## No More Smiles

Smoking Popes

No more smiles  
It's just teardrops falling to the ground  
No one's around  
And I don't love you anymore  
And I'm sore about it  
When did my heart change its mind?  
It must have been during the changing of times

No more smiles from now on  
They are all gone  
I'll never understand what went wrong

No more lies  
Now the hard part's over so they say  
There's no way that I could take another day  
Let's not talk about it  
When did my love for you die?  
Kiss me once and it's time to say goodbye
