

## Off My Mind

Smoking Popes

Baby, I just can't get you off my mind  
I'd hang out with you all the time  
If I didn't have to work  
Maybe I should think about giving that up too  
Baby, you're all that I need to live  
And I got so much to give  
Let's throw the world away  
Close your eyes  
It's too late to say goodbyes  
Baby, now you are the only thing  
That every morning brings  
So don't let me down
