

Off My Mind

Smoking Popes

Baby, I just can't get you off my mind
I'd hang out with you all the time
If I didn't have to work
Maybe I should think about giving that up too
Baby, you're all that I need to live
And I got so much to give
Let's throw the world away
Close your eyes
It's too late to say goodbyes
Baby, now you are the only thing
That every morning brings
So don't let me down
