

# Boxman

Smosh

So let me tell you how this all came to be  
I'm doin' this here rap for your safety  
So all you kids don't mess up like me  
And be disowned by your family

So check it, this is how it all began  
I was chillin', eatin' some raisin bran  
I decided it was time to get a tan  
So I grabbed my scissors and then I ran

I forgot my house was two stories tall  
I missed the first step and began to fall  
What happened next I could not recall  
I was impaled by the scissors and thats not all

I thought I could get some help on the street  
I got run over by a fucking Jeep  
The rest of this mess I will not repeat  
To help keep your lunch, I've been discrete

(box / the boxman / he's the boxman / he's the boxman / he's a box / he's a  
boxman / boxman / he's a box / man)

I woke up in a strange location  
Some dirty bum had an explanation  
Apparently he had no education  
He turned my body into an abomination

He said he found me on the road nearly dead  
It was necessary he fix my torso and my head  
He had no human parts so he used a box instead  
The news was so overwhelming that I fled

(box / the boxman / he's the boxman / he's the boxman / he's a box / he's a  
boxman / boxman / he's a box / man)

[yo, what's up homie, you know that boxman?  
Yeah, he used to be a part of my clique  
Yeah, well what about now?  
I don't know man, he can suck my --]

It's hard to live with a body of cardboard  
You'd think with this cute smile I'd be adored  
But since the accident I've always been ignored  
I trust one day that my hope will be restored

I'd like to meet a girl who likes me for me  
But of course no girl likes a guy made of tree  
I get so desperate that a cry and I plea  
I'd even take a fat girl to a tolerable degree

I guess it ain't that bad to be a box like me  
Hey, at least I ain't Mary-Kate or Ashley  
If I ever want to travel across the sea  
I disguise myself as a package and fly for free

Well the moral of the story is airfare's expensive as hell

So that's the end of my tale, so long, and farewell

(box / the boxman / he's the boxman / he's the boxman / he's a box / he's a  
boxman / boxman / he's a box / man) (3x)
