

So Frickin Tired of Christmas

Smosh

Christmas
Christmas sucks
Christmas
Christmas sucks

I'm so frickin' tired of Christmas and all the bullshit it puts
in my head
I'm so frickin' tired of stupid presents under smelly trees
I wish there were something instead
That wasn't so stupid and so lame
I guess I have Santa and his elves to blame, yeah
I'm so frickin' tired of Christmas and I
Want it to be dead

I'm so frickin' tired of Christmas, and all the malls and traff
ic snags
I'm so frickin' tired of eggnog, candy canes,
And big ass shopping bags
Every frickin' year it's always the same
Mom gets me sweaters and the wrong video game
So frickin' tired of Christmas and I
Want it to be dead
