

# Ultimate Douchebag Medley

Smosh

As long as I'm wealthy,  
I'll never be starving,  
Never be homeless,  
Never be broke.  
As long as I'm wealthy,  
My toilet is platinum,  
My toothbrush is rhino horn,  
Wipe my ass with gold.  
As long as I'm wealth wealth wealth wealthy, wealthy,  
Wealth wealth wealth wealth wealthy, wealthy.

One time  
Cops came into my house  
And found a bunch of weed;  
Then I made my black friend  
Take the blame for me.  
One time  
One time  
One one time  
One one tie tie time!

I got a bunch of tattoos (Ay) got tattoos  
If you read them,  
You can get clues. (You can get clues)  
To what I had for lunch  
Shit dawg I got a bunch.  
On my neck,  
On my back,  
On my chest,  
On my abs,  
A bunch of tattoos.

Uh, uh,  
You love me.  
Haha.

I like to pee in buckets  
And throw eggs at my neighbors.  
Make kissy faces at the camera,  
Spit on my fans and haters.  
I love Selena Gomez  
But I love Brazilian prostitutes more.  
Swaggy!  
I like to pee in buckets!  
Ain't no other words rhyme with more.  
I like to pee in buckets!  
Ain't no other words rhyme with more.

Uh, uh,  
You love me.  
Eh.

I totally wish I was black  
So people may say it and whack.  
Totally wish, to-to-totally wish

And ohh

I want to run all over the paparazzi.  
And ohh  
Splatter them over the hood  
Of my two million dollar Bugatti.

And I was like  
Baby, baby, baby no.  
Like baby, baby, baby ohh.  
Like!

Swag my  
Swag my  
Sag my pants past my dick  
Oh yeah.  
Past my dick.  
Looks like I pooped in it.  
Oh yeah.  
Pooped in it.  
Sag my pants past my dick  
Oh yeah.  
Past my dick.  
Looks like I pooped in it.  
Oh yeah.  
Pooped in it.
