

Believe In It

Snap!

Is this just a mental thing going through my mind?
I want you all the time
Can't you see I'm in love with it girl?
Are you blind to the fact?

My biggest thrill is my initial will
To commit that sex act baby
Led you to the highest degree
Puts me on the edge of my initial love is the baddest
I've got to have this... feeling
Of your body close to mine
Make you moan and whine

I'll believe in the end

Oooh your hope would mean
Your heart would take you far if you believe in it
Just believe in it... oh!
Oooh your hope would mean
Your heart would take you far if you believe in it
Just believe in it... oh!

To satisfy you baby that is my pleasure
Your bodies like sheet music
I love every pleasure
Kiss ya up north to your southern most region
I've got more stamina
Than the French foreign legion

Give it to you slow
Cause' that's the way you like it
I'm the quarter back, hike it baby hike it
Start with a stroke into a shove
You play Madonna 'Justify my love'
I play, you sweat, make you last forever
Now we're in Las Vegas play me for the level
Again and again yeah that's it
Sex is God so believe in it

Oooh your hope would mean
Your heart would take you far if you believe in it
Just believe in it... oh!
Oooh your hope would mean
Your heart would take you far if you believe in it
Just believe in it... oh!

They tell me lusting is a sin
But for your body I'd sin again and again and again
Yes I would
I... I could unload just by watching you move
But that would be a waste of a good brew

Situation 69 is blowing my mind
Like getting blown and I'm clever with my tongue
Climax of the highest plane
Just like a runaway train
Got my body with it's reins to slow me if I get ahead of you

I want us to finish this race together
We could make it last forever

And I... I'll believe in the end

Ooooh your hope would mean
Your heart would take you far if you believe in it
Just believe in it... oh!
Ooooh your hope would mean
Your heart would take you far if you believe in it
Just believe in it... oh!

Ooooh your hope would mean
Your heart would take you far if you believe in it
Just believe in it... oh!
Ooooh your hope would mean
Your heart would take you far if you believe in it
Just believe in it... oh!

Just believe in it
Just believe in it
Just believe in it
Just believe in it

Oh!
