

The First the Last Eternity (Till the End)

Snap!

People all over the world
Listen to what I wanna say
Now I need all of your attention
Come along with me
You don't have to worry
Good news is on the way
I'm talking about the way things started out
Gonna end that same

Eternity eternity, eternity...

Let's getting ready
For the final destiny
Gather all about your people
And come with me
I'm gonna be your guardian angle
Oh,oh,on high
Come on come on it's time

The first the last eternity
The first the last eternity
The first the last eternity
The first the last eternity

The first the last eternity
As it's written it will always be
Till the end of time
Do you here me

The first the last eternity
As it's written it will always be
Till the end of time
Do you here me

The first the last eternity
The first the last eternity
The first the last eternity
The first the last eternity

ohh....

Eternity eternity, eternity...

The first the last eternity
The first the last eternity
The first the last eternity
The first the last eternity
