No tickets to this show, baby  
Just one to a room  
Are you up for a blood transfusion?  
Commit and go  
Who shot the shot to break the blood clot.  
You can die, maybe and test your resolve  
Slaves are saved through converted vessels  
Of the most sacred blood  
John the Baptist's head was taken  
For his faith was strong  
Can you defend the didactic army  
Without breaking down?  
Can you transfuse?
