

Decieved

Snapcase

Cause I love you
I don't have to see
cause I don't know you
I can't know me

Cause I don't know why
but I'm willing to die
possessed to be
I killed you in me
and I'm to blame
I killed the flame
persist to try
I'm living a lie
living a lie
living

My passions decieved
my passions decieved
my passions decieved
my passions decieved
