

## Gates Of Steel

Snapcase

Twist away the gates of steel  
Unlock the secret voice  
Give in to ancient noise  
Take a chance a brand new dance  
Twist away the gates of steel  
Twist away now twist and shout  
The earth it moves too slow  
But the earth is all we know  
We pay to play the human way  
Twist away the gates of steel  
A man is real not made of steel  
The beginning was the end (of everything now)  
The ape regards his tail (he's stuck on it)  
Repeats until he fails  
Half a goon and half a god  
A man's not made of steel  
A man is real that's how he feels
